

### SPECIFICATIONS PARAMETER

| SPECIFICATIONS PARAMETER |                           |
|--------------------------|---------------------------|
| OPERATING VOLTAGE        | DC24-26V                  |
| RATED CURRENT            | IR、R/W、G、B、V<br>120/180mA |
| RATED POWER              | IR、R/W、G、B、V<br>2.9/4.3W  |
| PEAK CURRENT             | IR、R/W、G、B、V<br>220/320mA |
| PEAK POWER               | IR、R/W、G、B、V<br>5.3/7.7W  |
| WAVELENGTH OF LIGHT      | IR 940nm                  |
|                          | R 620-625nm               |
|                          | G 520-530nm               |
|                          | B 465-470nm               |
|                          | V 365-400nm               |
| W 6500-7000K             |                           |
