

| SPECIFICATIONS PARAMETER |                        |
|--------------------------|------------------------|
| OPERATING VOLTAGE        | DC24-26V               |
| RATED CURRENT            | R/W、G、B、V<br>600/1A    |
| RATED POWER              | IR/W、G、B、V<br>14.4/24W |
| PEAK CURRENT             | IR/W、G、B、V<br>1200/2A  |
| PEAK POWER               | IR/W、G、B、V<br>28.8/48W |
| WAVELENGTH OF LIGHT      | R 620-625 nm           |
|                          | G 520-530nm            |
|                          | B 465-470nm            |
|                          | V 365-400nm            |
|                          | W 6500-7000K           |

|           |            |                |          |            |
